

Coral Springs Surgical Center Services/Equipment:

ENT Surgery

Routine Procedures:

- Myringotomy with PE Tubes
- Tympanoplasty
- Functional Endoscopic Sinus Surgery
- Septoplasty/Turbinectomy
- Tonsillectomy/Adenoidectomy
- Uvuloplasty
- Microlaryngoscopy, Rigid
- Rhinoplasty
- Thyroglossal Duct Cyst Excision
- Gland Excision

Equipment Overview:

- Zeiss Microscopes
- Cogent Headlights
- Medtronic/Xomed Straight Shot XPS 3000
- Valley Lab Electro-Cautery Units
- Arthrocare Coblator II
- Linvatec Drill System
- Sony Monitor and Printer

General Surgery

Routine Procedures:

- Epigastric Herniorrhaphy
- Excision of Breast Mass
- Excision of Cysts / Lesions
- Frozen Section
- Hemorrhoidectomy
- Herniorrhaphy (Adult and Pediatric)
- Removal Port - A Catheters
- Lipoma Excision
- Lymph Node Biopsies
- Perianal Abscess

Equipment Overview:

- Advanced Fluoroscopic X-ray Capabilities
- Multiple Types of Drains, Catheters, etc.
- Electro Cautery Units

Gastroenterology

Routine Procedures:

- Colonoscopy with or without biopsy
- Colonoscopy with polypectomy
- Endoscopy, upper GI, with or without biopsy
- Endoscopy, upper GI, with polypectomy
- Esophageal dilatation: Savary-Gillard (With guide wire)

Equipment Overview:

- Olympus Processor
- Olympus Light Source
- Olympus Printer
- Valleylab Cautery
- Datascope Cardiac Monitor
- Olympus DSD Washer
- Olympus Gastrosopes
- Olympus Colonoscopes
- Sony T.V. Monitor
- Savary-Gillard Dilators
- C-Arm 9600, 9800
- Cold Biopsy Forceps

Coral Springs Surgical Center Services/Equipment:

Gynecology

Routine Procedures:

- Aspiration, Ovarian Cyst
- Biopsy, Cervix
- Biopsy, External Female Genitalia
- Biopsy, Ovary
- Biopsy, Punch Cervix
- Cauterization, Cervix, Bovie
- Colposcopy
- Conization, Cervix, Cold knife
- Diagnostic Dilatation and Curettage
- Exam Under Anesthesia
- Excision, Bartholin Gland
- Excision lesion, Vulva, Perineum, Simple
- Hymenectomy
- Hysteroscopy
- Hysteroscopy with Video
- I&D Marsupialization, Bartholin Cyst/Abscess
- Laparoscopic Tubal Ligation
- Leep procedure
- Lysis, Peritubal Adhesions

Equipment Overview:

- Allen Universal Stirrups
- Berkeley Vacuum Curettage System
- Olympus Tower (Insufflator, Camera, Printer, Light source)

Hand Surgery

Routine Procedures

- Cast Application
- Arthrodesis
- Arthroplasty
- Carpal Tunnel Decompression/Ligament Release (Neurolysis)
- Cast Change w/wo Manipulation and X-Ray
- Closed Reduction
- Fasciectomy, Palmar
- Fasciectomy, simple
- Ganglionectomy
- Ligament Repair
- Manipulation of w/wo X-ray
- Nail Removal
- Neuroma Excision
- Open Reduction of Fracture w/wo X-ray
- Removal of Implant (K-wire, Pin or Screw)
- Removal of Implant (Rod Nail or Plate)
- Synovectomy
- Tendon repair w/wo Graft, Implant or Transfer
- Tendon Sheath release
- Tenotomy, Hand or Foot
- Trigger Finger
- Ulnar nerve Release or Transfer
- Ulnar Nerve Repair
- Carpal Tunnel Release
- Incision and Drainage
- Suture Removal
- Duputrens Contracture

Equipment Overview:

- Bovie (Valleylab)
- Wall Suction Vacuum
- Fluoroscanner Premier
- C-Arm
- Bair Hugger
- Tourniquet AD 2000
- Olympus Monitor, Camera, Light and Printer Source
- Hand Holder
- Zeiss Microscope
- Hand Table

Coral Springs Surgical Center Services/Equipment:

Ophthalmology

Routine Procedures:

- Ahmed Shunt Replacement
- Anterior Vitrectomy
- Blepharoplasty
- Chalazion
- Corneal Transplant
- Correction of Strabismus
- Dacryocystorhinostomy (DCR)
- DSEK
- Entropian / Ectropian Repairs
- Extra Capsular Cataract Extraction
- Ocular Plastics
- Penetrating Keratoplasty
- Phaco Cataract Emulsification with Insertion of Intraocular Lens
- Pterygium Excision with Conjunctival Graft
- Ptosis Repair
- Strabismus Repair
- Trabeculectomy

Equipment Overview:

- Zeiss OPMI Microscope x 2
- Alcon INFINITI Vision System x 2
- Head Lights
- Alcon, AMO, STAAR lenses
- Multiple Lens Consignments
- ConMed Electro-Cautery Units

Orthopaedic Surgery

Routine Procedures:

- Anterior Cruciate Ligament Reconstruction
- Arthroplasty; Unicompartamental Knee
- Arthroscopy of the Knee, Shoulder, Ankle, Elbow, or Wrist
- Arthrotomy
- Bunionectomy
- Carpal Tunnel Release and Endoscopic Carpal Tunnel Release
- Excision of Bony Cysts
- Excision of Ganglion Cysts
- Hand Procedures
- Hardware Removal
- Meniscal Repair
- Open Shoulder Procedures (Rotator Cuff Repair, etc.)
- Osteotomy
- Reduction of Fractures, Open and Closed
- Silastic Implant Finger Joints
- Triple Arthrodesis

Equipment Overview:

- Arthroscopy Instruments and Scopes, Shutt
- Shaver Dyonics
- Light Source
- Camera
- SDC / Sony Printer
- Conmed Cautery Electrode
- Synthes Mini Fragment Set
- Synthes Small Fragment Set
- C-Arm - mini and large
- Hand Table - Allen Radiopaque
- Zimmer ATS 1500 Automatic Tourniquet
- EBI External Fixator Set
- Arthrocare
- Arthrex Arthroscopic Shoulder Instrumentation Set
- Beach Chair Positioner: OSI
- Synthes 4.0mm Cannulated Screw Set
- Synthes Large Fragment Set
- Acufex T-fix Meniscal Repair System
- Zeiss Round Microscope with Double Eyepiece
- Mitek I, Mitek II
- Zimmer Statak
- Arthrex Shoulder Holder
- Micro Hand Tray
- Cast Saw
- Depuy Finger Traps
- Arthrex Suture Anchors

Coral Springs Surgical Center Services/Equipment:

Pain Management Surgery

Routine Procedures:

- Caudal Block
- Celiac Plexus Block
- Cervical Epidurals
- Facet Block
- Intercostal Block
- Lumbar Epidurals
- Occipital Nerve Block
- SI Joint Injection
- Stellate Block
- Percutaneous Diskectomy
- Sympathetic Block
- Thoracic Epidural
- Trigger Point Injection
- Epidural Blood Patch
- Discogram
- Nerve Root Block
- Fluoroscopic Guidance and Interpretation

Equipment Overview:

- OCE C-Arm and Monitors
- Advanced Positioning Systems C-Arm Bed

Plastic Surgery

Routine Procedures:

- Augmentation Mammoplasty
- Blepharoplasty
- Breast Reconstruction
- Breast Reduction
- Excision of Hemangioma
- Lip Augmentation
- Mastopexy
- Panniculectomy
- Pigmentation and Hemangioma Removal
- Removal of Skin Lesions
- Rhinoplasty / Septoplasty
- Rhytidectomy
- Scar Revision
- Skin Grafting
- Tendon and Nerve Repair

Equipment Overview:

- C-Arm
- Video
- Liposuction Cannulas and Machine
- Lighted Retractors / Light Source
- Head Light (various styles)
- Breast Sizers
- Chin Sizers
- Various Size Rasps
- Complete Nasal Instrumentation
- Blade
- Micro Instrumentation

Coral Springs Surgical Center Services/Equipment:

Podiatry

Routine Procedures:

- Ankle Arthroscopy
- Arthrocentesis
- Arthrodesis
- Arthroplasty
- Bunionectomy
- Closing Wedge Osteotomy
- Endoscopic Fasciotomy
- Excision Neuromas
- Excision of Soft Tissue and Osseous Masses
- External Fixation of Fracture
- K-Wire or Wire Fixation
- Metatarsal Amputation
- Open Reduction Internal Fixation of Fracture
- Osteotomy
- Plantar Fasciotomy
- Triple Arthrodesis

Equipment Overview:

- Hall Drill
- Synthes Mini Fragment Set
- Synthes Small Fragment Set
- Olympus Video Equipment
- Sony Monitor and Printer
- Valley Lab Electro-Cautery Units
- OCE C-Arm and Monitors

Urology

Routine Procedures:

- Aspiration epididymis
- Biopsy, Bladder
- Circumcision
- Condyloma Fulguration
- Cystoscopy, Retrograde Pyelography
- Excision, lesions Penis-Scrotal
- Excision, Lipoma Spermatic Cord
- Hydrocelectomy
- Hypospadias repair, Epispadias Repair
- Incidental Hernia
- Incision and Drainage Scrotal Abscess
- Implant, Testicular
- Lithotripsy, Extracorporeal Shockwave
- Orchiopexy, Orchiectomy, Repair Chordee,
- Vasography
- Placement of Brachytherapy needles & catheters
- Sling Operation for Stress Incontinence
- Spermatic Vein Ligation
- Transurethral Resection Bladder Tumor
- Transurethral Resection Bladder
- Ureteroscopy-Stone Removal
- Ureterolithotripsy
- Ureteral Biopsy
- Ureteral Stent Insertion
- Ureteral Stent Removal
- Urethral Dilatation
- Vasectomy
- Visual Urethrotomy
- Laser Ablation Condyloma
- Laser Fulguration Genital Lesions

Equipment Overview:

- TVT Tray
- Lone Star Retractor
- Allen Stirrups
- Candy Cane Stirrups
- Olympus Monitor
- Lens – 12°, 30°, 70°
